Registration

- Recommended students may register for up to two (2) courses.
- Currently enrolled students who meet the criteria for this academy may register for a course in the High School SOL Academy at their home school until June 8. Students who have not registered by June 8 must register on Tuesday – Wednesday, June 19 – 20, from 8:00 a.m. - 12:00 p.m. at York High School. **NO REGISTRATIONS WILL BE ACCEPTED AFTER JUNE 21.**

VERIFIED CREDIT ACADEMY

The **Verified Credit Academy** is designed for students who have passed the World History I, World History II, Virginia & U.S. History, Earth Science, Biology, or Chemistry courses, have scored between 375 and 399 on the SOL test for the course in one of at least two attempts, and therefore have not earned the required verified credit for graduation.

These students may participate in no more than two courses in the **Verified Credit Academy**. To earn verified credit through the **Verified Credit Academy**, students are required to complete specific assignments and a final project. Students are identified for the **Verified Credit Academy** by their school principal based on the criteria above. Tuition is not charged for the **Verified Credit Academy**, and parents who wish to enroll their child in this academy must contact their child's guidance counselor to complete the online registration.

Students in the **Verified Credit Academy** are required to meet twice with the academy facilitator as indicated below. At the first meeting, the facilitator will provide the student with a course syllabus, textbook, and assignment expectations, including the final project. At the second meeting, the student will submit his/her portfolio of completed work and the final project; however, additional days may be required for completion of assigned work. **Verified Credit Academy** work is completed independently by the student, although the facilitator is available to assist if needed. A school division committee reviews all **Verified Credit Academy** student portfolios and awards verified credit appropriately. Students must provide their own transportation.

VIRTUAL HIGH SCHOOL ACADEMY

Virtual High School (VHS) Academy is designed for rising 9 through current 12 grade students. VHS provides secondary students with the opportunity for online learning. Students may earn up to one (1) original credit and two (2) repeat credits. A computer lab will be available onsite during Summer Academy hours (8:00 a.m. – 12:00 p.m.) for students who need a more structured environment to complete online coursework. Semester math may be taken as .5 original or repeat credit (credit recovery). Each original credit course is 140 online instructional class hours, and semester courses are 70 online instructional class hours. Credit recovery is an online course for students who have completed the seat hours of a course and must repeat the course. Credit recovery teaches the concepts for students to demonstrate mastery of the content.

- Credit cannot be awarded to students who fail to complete the required hours of online instruction.
- Parents who wish to enroll their child in this academy must contact their child's guidance counselor to complete the online registration.
- Driver Education/Behind-the-Wheel instruction is not offered.
- There are no exam exemptions during Summer Academy.
- **Courses with low enrollment may not be offered.**
- Students participating in International Baccalaureate Program may not take courses in **VHS Summer Academy** except Health/Physical Education 9 or 10.
- Tuition for a **Virtual High School Academy** one credit course is \$550 and \$300 for .5 credit course for York County residents and non-residents. York County residents should make checks payable to the school where registration is completed.
- **Scholarships will not be offered for high school credit-bearing classes.**
- Non-residents should contact Reginald Fox (898-0454) or Kim Haskins (833-2148) for registration information. Tuition must be paid in full at the time of registration.
- If a course is cancelled or a student withdraws from **Virtual High School Academy** prior to the start of classes, a refund of tuition will be made by July 12.

Onsite at the Summer Academy

Taking your Virtual class at the high school in a computer lab

In the Virtual High School (VHS) Academy we have created another opportunity for students to complete their virtual courses. We have provided a structured environment where the student reports to a computer lab at the Summer Academy between 8:00 a.m. to 12:00 p.m. Students may take advantage of transportation provided by the York County School Division (see page 12).

Our structured environment includes a mentor who is an experienced Virtual High School teacher and is assigned to work with, and monitor progress and participation of the online students in the computer lab. The mentor can help students navigate the Learning Management System, Moodle and help students communicate with their online teachers. Students work each day, Monday through Friday to complete required assignments in their virtual courses in the lab at the Summer Academy location. *Blackboard Collaborate (Elluminate)* sessions scheduled by the online teacher during lab times are required and will be posted weekly. Attendance is required Monday through Thursday from 8 a.m. to 12 p.m. Students will continue their coursework at home on Friday. Daily log ins for coursework completion are required.

Taking your Virtual class at home

As a student in the **Virtual High School (VHS) Summer Academy**, coursework is completed each day in the comfort of the student's home, **Monday through Friday** during times that are convenient to their schedule courses. *Blackboard Collaborate (Elluminate)* sessions scheduled by the online teacher are required and will be posted weekly. The student will review instructional interactive materials, complete assignments, and communicate with their online teacher daily. Students are required to log into their online course daily.
