

# Your benefits aren't complete without Aflac

## Aflac for York County School Board

The reality is that health insurance isn't designed to cover everything, which can leave you with unexpected medical bills. That's why there's Aflac. We can help with the expenses that health insurance doesn't cover.

## Aflac Supplemental benefits

### Short-Term Disability Insurance

What if you couldn't work due to injury or illness? Aflac Short-Term Disability insurance helps replace some of your income and keeps working when you can't.

### Cancer/Specified-Disease Insurance

Aflac cancer/specified-disease policy provides robust benefits so you can seek the treatment you need while easing the financial concerns that often accompany it—before, during and after diagnosis.

### Hospital Confinement Indemnity Insurance

Health insurance isn't meant to cover all expenses associated with hospitalization – like deductibles and copays. Aflac hospital insurance can help minimize those out-of-pocket costs so you can focus on recovery.

### Accident Insurance

Individual accident insurance can help with unexpected expenses associated with an accidental injury, so you can focus on getting better.

### Whole or Term Life Insurance

With Aflac's whole or term life insurance, you can rest easy knowing that your family can have financial security when they need it most.

### Supplemental Dental Insurance

Help keep a bright, healthy smile with Aflac's dental policy. Our policy provides benefits for dental care, paid directly to you (unless otherwise assigned).

### Supplemental Vision Insurance

Don't take your vision for granted. An Aflac vision policy can help with the costs of vision treatment and benefits are paid directly to you.

### Critical Illness (Specified Health Event) Insurance

An Aflac specified health event policy is designed to help with the costs of treatment if you experience a covered health event.
