

Become a York County Council PTA Supporter

Why should I become a PTA Supporter?

- By purchasing the window cling and displaying it in your window, you advertise that you support York County Schools.
- Your business will be listed on the York County School Division PTA webpage.
- PTA encourages residents of York Co. to support businesses that support their children!
- Monies will create a scholarship for each high school in York County. This scholarship will be awarded to a deserving student who may not have the highest GPA but is an "all-around good kid". Winners will be chosen by the York County PTA Executive Board. Scholarships will continue each year as supporters renew their commitment to the York County PTA.
