

Aramark/YCSD

October 2011

Did you know... An egg contains every vitamin except vitamin C...A banana contains 75% water...a pumpkin is really a fruit

National School Lunch Week

October 10-14

- “Let’s Grow Healthy” is the theme of national lunch week this year. The national lunch week is to help students recognize how school lunch is about making and eating healthy choices. Here at Aramark/YCSD we offer very healthy choices for our students. From whole wheat pizza to 1% milk we want the students and the parents to know that we take making sure the students eat healthy very seriously.

Caterings and Financials

- **Caterings:**

- School Board Dinner
- Elementary Instructional
- Department Lunch
- Substitute teacher breakfast

Year Over Year	Meals	Food	Labor
