WELCOME BACK STUDENTS

- ▶ We at Aramark/YCSD are offering some new choices this year. At the high schools and middle schools we are offering the burger bar. You can choose between a hamburger or a chicken sandwich and have your choice of cheddar, pepper jack, mozzarella cheese. There are so many add-ons and sauces you can choose from. At the elementary schools we are still serving turkey and cheese sub or wraps everyday. Healthy meals are a top priority for Aramark/YCSD.
