York High School is proud to recognize Kamari Harold as our Senior of the Month! Kamari is a hardworking student who has made a significant impact on our school’s community, and she truly embodies the spirit of York High. Noted for her determined mindset, Kamari has completed the New Horizons Medical Assistant program, gaining her NHA Certification while also taking some of our most rigorous math and science courses. She’s also participating in the YCSD Early College Program, where she is fully enrolled at Virginia Peninsula Community College earning credits towards her college degree. In addition to her academic success, Kamari’s hard work carries over into athletics and volunteer work. Kamari has been a member of the YHS field hockey team along with numerous volunteer hours through food drives, serving on the media team at church, and being YHS's “master ticket taker” at all our athletic events. Most importantly, Kamari’s ability to show compassion for others can be seen through her time serving as leader of the Fellowship of Christian Athletes and her mentorship through Riverside Family Medicine. We are proud to honor her as Senior of the Month, and we can’t wait to see all the great things she will achieve in the future!
