

## **Citrix Access Instructions**

Open Internet Explorer (or other web browsing program such as Firefox, Chrome, etc.)

In the address bar, type: <a href="https://go.ycsd.york.va.us">https://go.ycsd.york.va.us</a>

(Please note the 's' at the end of http; this needs to be there)

(The main log in page is displayed above)

Log in to this page using the same credentials that you use to log into a computer within the school division.

User name = Your YCSD Username (For Example: jsmith)

```
Password = Your YCSD Password
```

If this is your first time logging in form a computer without the Citrix Workspace client, you will be prompted to install the client.

You may use the three top tile buttons to select to launch an application or a virtual desktop.

If you launch session from YCSD Desktops, you're connecting to a virtual computer that is running inside the Division. You can use this computer just as if you were sitting at a computer in your classroom or office. When done, simply log off the virtual computer like you normally would. This will end your virtual session.

## **Problems Connecting?**

If you experience a problem starting a Citrix session, please call the YCSD Help Desk during normal business hours for assistance.
